

## Chinook Cycling Club 2017 Time Trial Training Series

The Time Trial Series is a weekly time trial training and fun ride event. The 2017 series will begin on Tuesday, March 28, 2017, and will continue each Tuesday evening through September 26, 2017. The series will include 5-mile, 10-mile, 40K, and Hill Climb events. Times will be self recorded and reported for each weekly ride. A maximum of eight "free" points (two events) will be awarded for rides missed after completed signup.

There is no additional fee for the series. Your Chinook Cycling Club membership fee covers the full 26-week series plus "The Dash" held September 26. There will be no individual ride fee. Anyone can ride, but **times will be recorded and posted only for those who are a current Chinook Cycling Club member, have signed the 2017 Non-Competitive Event Waiver, have completed the Time Trial entry form, and have submitted both documents to the club.**
