

Chinook Gravel Fondo Training Event

What: This is a gravel fondo training event. There is a 31-ish and 51-ish mile option. The ride will start and finish at the Kennewick Trek store.

31 mile-ish course: The course will ride up the dirt single track to Bofer. Follow Bofer to past the state patrol and jump on the single track at the flag that runs parallel to Bofer. Single track exits back on the Bofer. Follow Bofer past 397 and turn left onto Bateman road. Ride Bateman taking a left on Owens road. Follow Owens road up over past the farm house down to Beck street. Take a left of Beck road to 9 Canyon. Take a left on 9 Canyon. Take 9 Canyon to Kirk road and take a right. Follow Kirk to Mills Road and take a left. Follow Mills road to 9 Canyon and follow it back to Beck road and take a right back to Owens and take a right. Follow Owens back to Bateman to Bofer and then a right and follow Bofer across 397 and then jump back on the single track and ride parallel to Bofer and exit single track back to Bofer. Official finish is at the road into the State patrol station.

51 mile-ish course: The course will ride up the dirt single track to Bofer. Follow Bofer to past the state patrol and jump on the single track at the flag that runs parallel to Bofer. Single track exits back on the Bofer. Follow Bofer past 397 and turn left onto Bateman road. Ride Bateman taking a left on Owens road. Follow Owens road up over past the farm house down to Beck street. Take a left of Beck road to 9 Canyon. Take a left on 9 Canyon. Take 9 Canyon to Kirk road and take a right. Follow Kirk to Mills Road and take a left. Follow Mills road to 9 Canyon and follow it back to Beck road and take a right back to Owens and take a right. Turn right on jump off joe ride up to the top at the towers. Ride back down take a left on Owens and repeat the Beck, 9 Canyon, Kirk, Mills, and 9 Canyon loop. From Beck ride back to Owens and back to Bateman to Bofer and then a right and follow Bofer across 397 and then jump back on the single track and ride parallel to Bofer and exit single track back to Bofer.
