2015 Time Trial Fun Ride Series

The Time Trial Series is a weekly time trial fun ride event. This series will begin on Tuesday, March 31, 2015, and will continue each Tuesday evening through September 29, 2015. Each Tuesday the event starts at 5:45 PM (with some exceptions as noted). The series will include 5-mile, 10-mile 40K, and Hill Climb events. Times and points will be recorded for each fun ride event. A maximum of eight "free" points (two events) will be awarded for rides missed after completed signup.

There is no additional fee for the series. Your Chinook Cycling Club fee covers the full 26-week series plus "The Dash" held September 30. There will be no individual ride fee. Anyone can ride, but **time will be recorded and posted only for those who are a current Chinook Cycling Club member, have signed the 2015 Non-Competitive Event Waiver, have completed the Time Trial entry form, and have submitted both documents to the club.**

The **5-mile** events will be held on Jacobs Road. The start/finish line will be on Jacobs Road ½ mile northwest of Dallas Road (close to I-82 Exit 104). Parking will be on Ava Way, ½ mile north along Dallas Road from I-82. **(No parking on Jacobs)**

The **10-mile** events will be held on E. Foster-Wells Rd. The start/finish line is 1 mile east of the 395 Freeway. Parking is on Capitol Ave. **(No parking on Foster-Wells)**

The **40K** course will be on North Stevens Drive. This course starts at the intersection of George Washington Way and Horn Rapids Road. The route will go north and then northwest out the Hanford Highway 4S to Power Plant Road (7 miles from the start, at mile post 16). Turn right on Power Plant Road and go to the marked turnaround u-turn back to the Hanford Highway (about 1.5 miles to the turnaround). Then continue northwest towards the Wye Barricade, turning around where the gravel median becomes pavement (before the left turn lane begins). Return on the other side of the road (no detours on the return route). The finish is just before the light at the Horn Rapids intersection on N. Stevens. Parking is available in the parking lot southeast from the corner of GW Way and Horn Rapids Road.

The **Hill Climb** will be held at State Patrol Hill (Bofer Canyon Rd.). The starting line will be at the Locust Grove Road exit (Exit 114) off of I-82. The finish is at the top of the hill (just over four miles). Parking is on Locust Grove Road, under the highway (please park at least 3 feet off the white line).

"The Dash" start times will be compressed (reduced by 6%). To be eligible to ride the "Dash," you must ride a minimum of five of the eight 5 mile events.

The schedule and location is below. Location changes may be made due to unforeseen circumstances and will be communicated as early as possible.
