Cost: Free to members of the Chinook Cycling Club. All riders must be a current Chinook member (current Membership and Waiver required). We prefer and request you use the on-line registration in advance of the series/event and bring your completed waiver. \$45 annual individual, \$60 annual family membership. Membership forms and waivers will also be available at each event. Super Chinook special ... pay for the 2020 membership in Nov and Dec and get 2021 included for free!!!

2020 changes: Sunday events and eBikes. The events will occur on Sundays. We are hoping to attract more riders from bikes shops. With the growing trend we've added an eBike category (pedal assist only, no full electric bikes).

COVID-19 and your safety: Due to COVID-19 pandemic restrictions with large group gatherings, the 2020 Chinook MTB Training Series will be hosted in a modified format. This is the alternative to canceling the series. Why Echo for all 3 events? Echo offers several advantages. Being private property, there is less shared use with the public at Echo, so conflicts with walkers, runners and hikers can be controlled and are nearly eliminated. We are offering a mass start option and a TT/open ride window option for those that are not comfortable with a traditional (mass) start. For the safety of all, we ask that you stay home if you feel sick (for any reason) or have been exposed to someone who's currently sick with COVID.

Mass Start Option: Registration and sign-in begin at 10:00 am and the rider meeting at 10:55 am. Rides start promptly at 11:00 am. All riders shall record their time and include this a sign-out. Please sign-out even if you DNF. Your time will be used for final placings.

TT/Open Ride Window Option: The course will open all day. Riders can ride solo at a time they choose, self-time and post their time to Chinook (chinook@chinookcyclingclub.com). Postings will need to be sent and received by 6pm.

Prizes: After the last rider finishes, we will have a random drawing for a \$25 and a \$50 store gift cards/certificates from each sponsoring shop, and Chinook clothing. Must be present to win. Compete in all 3 events and you'll be eligible for a separate random drawing, held at the last event of the Series. The Club will purchase gift cards (\$500, \$250, \$200, \$150 and \$100) at face value from an event sponsor shop (winner's gets to choose their preferred shop). Chinook will only purchase from shops that participate in the series.
